

 **anthology**

(formerly Campus Management)

N2N partner Anthology, formerly Campus Management Corp, is a robust suite of technology solutions for higher education institutions.

CampusNexus Student:

A proven, cloud-based platform built on Microsoft's Azure Cloud. Manage flexible academic terms and programs, automate financial aid and workflows, improve enrollment and curriculum management, and gain data-driven insight to respond dynamically to student needs.

CampusNexus Occupation Insight:

Prepare your students for the most in-demand careers, align programs with employer needs, and drive your institution's value with dynamic insight into the labor market.

CampusNexus Engage (CRM):

Visualize data, track trends in enrollment and retention, and evaluate return on investment of events and programs with this powerful business intelligence platform for prescriptive planning around institutional goals.

N2N Services Inc. • illuminateapp.com • 888-651-3309 • info@n2nservices.com

Radius by CampusManagement (Admissions management solution):

Build deeper relationships with students through case management, event planning, and online inquiry management tools, and take the headache out of the admissions process with digital application review and decision management.

CampusNexus Finance HR & Payroll

Turn data into actionable intelligence to keep your institution on track with your strategic plan. This feature-rich financial management system is designed for higher education, whether you have one campus or 100.

Donor Management Software

With Talisma Fundraising Donor Management Software, you can integrate Microsoft Dynamics GP, Set Up Business Rules, Enable Portal Access, and produce Reports, helping you get the most out of every interaction with your constituents, both in-person and online.

CampusNexus Mobile Portal

Fulfill the expectations of today's on-demand generation of students, as well as faculty and staff, by making going mobile easy.

If you're ready see what Anthology and N2N can do for you, give us a call!
